Mr. Gary C. Dunton
Chief Executive Officer and President
MBIA Inc.
113 King Street
Armonk, NY 10504

Dear Gary:

I have concluded that I should resign from MBIA's Board. I do so with great regret and only after very careful consideration of the interests of both MBIA and Deutsche Bank.

When I joined MBIA's Board in 2006, existing business relationships between MBIA and Deutsche Bank provided no basis to believe that I would be unable to give both institutions my full attention and undivided loyalty. Given the events of the past week, however, I am now in a position where I can no longer be confident that continuing to act on behalf of both institutions will not lead to the possibility of an appearance that I may have reason to favor one over the other on a matter of great importance to both. In these circumstances, my ability to continue to act on behalf of either institution may be constrained. Given the importance of restoring credibility in the marketplace, I would not want my role to become a distraction to ongoing efforts to achieve this goal.

I am proud to have been associated with MBIA, and I would have liked to continue serving on MBIA's Board. I leave the Board with great affection for all my fellow directors and with appreciation for their wisdom and dedication. I would also be remiss if I did not applaud the exceptional MBIA staff. I am confident that this top-flight staff, with the Board's support, will guide MBIA to future successes.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard H. Walker", written over a horizontal line.

Both are European deals that help to prove "excessive lending." Do you have a mailing address (or PO Box)?

A.

In this deal, Deutsche Bank provided approximately 88% of the €240 million (\$272 million) in capital necessary for AIG to purchase this property. Luckily, this deal had a decent outcome. Others did not. This might be why US taxpayers, via AIG, had to pay nearly \$12 billion to Deutsche Bank.

"ECREG has been working with AIG Global Real Estate ("AIG") on the financing and joint venture acquisition of the Pokrovsky Hills estate ("PH"), the premiere high-end residential complex in Moscow that targets the rapidly expanding expatriate community ..."

B.

"We set up a €1,000,000,000 (€1 billion) fund with Deutsche Bank, investing in retail property in Europe. The fund is managed jointly with Deutsche Bank and we have a 25% stake in the fund alongside Deutsche Bank and other financial investors.

In addition, in a consortium with Deutsche Bank, AIG and Redwood, Reuben Brothers have a significant investment in the running and development of three logistics parks." (Source: www.reubenbrothers.com)

"ECREG has been approached by *****, a representative of the Reuben Trust (collectively, "*****") and a key ECREG borrower, to finance, co-invest, and raise capital for an investment platform ..."

Kimura-san

As we discussed in this morning, I explained the current situation to Murakami-san in HR.
After that, I arranged conference call with Sunil Madan and it is already fixed on tomorrow at 17:00 (Tokyo Time).

Murakami-san and I will have a conference call with him and ask him about our concerns.
If you need to join it, please let me know.

As to investigation of Frank's e-mail for Pipeline issue, I will start it as soon as I obtain Mitch's approval.

Regards,

Below are draft notes of the interview I had with Frank Forelle yesterday.

NEXT STEPS

I suggest for your consideration that the next steps should be:

- (a) we interview Sunil Madan. Tom Kimura has agreed to do that by telephone as soon as possible this week;
- (b) when Deepak Moorjani returns to Tokyo from the US next week, we press him again to produce all evidence he has of any alleged violations or wrongdoing. In the two weeks since he was interviewed he has not produced any evidence;
- (c) agree a letter to Mr Moorjani in response to his letter. I suggest that this letter be signed by David Hatt as President and CEO of DSI (the employer of Mr Moorjani). David Hatt has been briefed on this matter. I will draft the response letter for your review. Once agreed, that letter should be delivered to Mr Moorjani.

I also propose giving the draft notes of meeting to Frank Forelle to check for accuracy.
